Hey!

My name is Russell.

When I'm not on here browsing jobs, I'm working, playing some guitar, or tending to my side business selling vintage electronics.

I am not perfect and have problems with anxiety, but through treatment I am slowly overcoming it.

I am very good with people and am dedicated to really listening to the individual one on one to solve the problem or make a sale.

Please feel free to send me an email and if I apply i'm surely interested!

Authorized to work in the US for any employer
